### **DETAILED ACTION**

Initially, it is noted that lines 2-3 of the amendment state that claims 4, 5, 27, 28, 49 and 50 are to be cancelled. However, the status identifiers for these claims do not say "cancelled". Accordingly, the status of these claims cannot be determined. Correction is required. Also, the amendment states that claim 100 is added. This claim has not been supplied. Furthermore, the numbering of claims is not in accordance with 37 CFR 1.126 which requires the original numbering of the claims to be preserved throughout the prosecution. When claims are canceled, the remaining claims must not be renumbered. When new claims are presented, they must be numbered consecutively beginning with the number next following the highest numbered claims previously presented (whether entered or not). The highest number claim previously presented is 54.

### ***Claim Rejections - 35 USC § 112***

Claims 16, 22, 37, 51-54 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 16 and 37 contain the trademark/trade name Teflon®. Where a trademark or trade name is used in a claim as a limitation to identify or describe a particular material or product, the claim does not comply with the requirements of 35 U.S.C. 112, second paragraph. See *Ex parte Simpson*, 218 USPQ 1020 (Bd. App. 1982). The claim scope is uncertain since the trademark or trade name cannot be used

properly to identify any particular material or product. A trademark or trade name is used to identify a source of goods, and not the goods themselves. Thus, a trademark or trade name does not identify or describe the goods associated with the trademark or trade name. In the present case, the trademark/trade name is used to identify/describe a particular material and, accordingly, the identification/description is indefinite.

Claim 22 recites the limitation "the filler cone" in line 3. There is insufficient antecedent basis for this limitation in the claim.

Claims 51-54 depend on cancelled claims.

#### ***Allowable Subject Matter***

Claims 1-3, 5-15, 17-21, 23-26, 29-36, 38-48 are allowed.

Claims 16, 22 and 37 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

#### ***Response to Arguments***

Applicant's arguments with respect to claims 16, 22 and 37 have been considered but are moot in view of the new ground(s) of rejection.
